

Rules for tournament

First round matchups are randomized.

First three rounds are played in Schenkel-group. Same teams cannot play against each other more than once during these 3 matches.

Points are given as following: win 2 points, draw 1 point, loss 0 points.

Ranking is determined by points, ends won, scored stone points, stone point ratio.

In Schenkel-group match length is 70 minutes + unfinished end + one more end. Draws are possible.

After 3 rounds of playing teams are divided into 4 groups according to ranking in Schenkel-group. The 4 best ranked teams will be playing for placements 1-4, next four teams for placements 5-8, next four for placements 9-12 and last four for placements 13-16.

Ranking games will be 6 end games, except for the final which is 8 ends. In ranking games there are no draws (extra ends are possible).

Ranking games will take place at saturday and sunday.

Hammer in the first end is decided by random by team skips.
